

Google Adwords Coaching Program

Google Adwords Coaching is a highly personalised program which will help you reach your desired outcome in Google Search.

What Is The Program?

The Adwords coaching program will teach you how to **attract, convert and retain quality leads** through Google Search Advertising.

The program includes 4 or 6 personalised coaching sessions, lifetime access to Google Ads training videos, weekly planners, time-saving checklists and access to a community of females in search marketing.

How You Will Benefit?

- ✓ You will get proven strategies and techniques to help level up your Google Adwords account.
- ✓ You keep the training videos internally. This means you will have personal lifetime access to these trainings.
- ✓ Frequent updates. As the industry changes, I'll provide **updated videos** to make sure you can keep on top of your account.
- ✓ You will feel good about the work you're doing in your Google account and gain the confidence that your account is optimised.
