

In-Demand Nonprofit Marketer Course

This course will give you the tools to get your organization's word out and make a greater impact on more people.

What Is The Course?

In-Demand Marketer will teach your organization how to raise awareness, attract donors, and recruit new volunteers through your Google Search Grant.

This program includes lifetime access to 10+ hours of training videos and time-saving checklists.

How You Will Your Organization Benefit?

- ✓ You will get proven strategies and techniques to help level up your Google Adwords account.
- ✓ You keep the training videos internally. This means you will have personal lifetime access to these trainings.
- ✓ Frequent updates. As the industry changes, I'll provide **updated videos** to make sure you can keep on top of your account.
- ✓ You will gain the confidence that your Google Grant is helping your organization.
